

Gargamel SMP Minecraft Server - Privacy Policy

[Hebrew version](#)

Effective Date: August 18 2023

In addition to our [TOS](#)

This Privacy Policy outlines how we collect, use, disclose, and safeguard personal information obtained through both our website and Minecraft server. By accessing or using our services, you consent to the practices described in this Privacy Policy.

1. Information Collection

- 1.1 Information You Provide: We may collect personal information that you voluntarily provide when using our website or Minecraft server. This may include your name, username, and other contact details.
- 1.2 Automatically Collected Information: We may automatically collect certain information when you visit our website or Minecraft server. This may include your IP address, browser type, operating system, device information, Minecraft username and usage data.

2. Data Usage

This refers to data that is collected automatically while using our services.

- 2.1. Enhancing Services: We employ the gathered information to deliver and enhance our website and Minecraft server services, address inquiries, and improve user experiences.
- 2.2. Service Provision: Some of the automatically collected data is fundamental to the utilization of our services.

3. Purpose of Data Collection

We collect and use data for specific purposes, including but not limited to:

- Account creation and management
- Server operation and maintenance
- Monitoring and enhancing user experience
- Community engagement, including events and contests
- Communication of important updates and announcements

4. Legal Basis for Processing

The legal basis for processing personal data includes user consent, fulfillment of

contractual obligations (providing Minecraft server services), and pursuing legitimate interests.

5. Data Retention Period

We will retain collected data for a designated duration, based on established criteria. Data will be deleted or anonymized in accordance with these criteria or as required by law.

6. Data Security Measures

We implement various security measures, such as access controls, to protect user data.

7. Content Publishing

7.1 Video Publication: We may publish videos with your Minecraft username and Minecraft skin.

7.2 Optional Videos: Occasionally, we create optional videos for our YouTube channel, which you can choose to participate in. In these videos we may use your voice.

7.3 Consent and Data Usage: If consent is not given (e.g., by not accepting our terms of service, indicating non-consent before or after video publication, etc.), we will respond in ways that prioritize your privacy and security:

a. Video Removal: We may remove the video entirely if we believe showing this data could be used in a harmful manner, based on our ethical considerations.

b. Data Censorship: In cases of non-consent, we may censor the information you did not consent to us using if we believe showing this data could be used in a harmful manner, based on our ethical considerations.

c. **Ethical Decision-Making**: We will act in accordance with applicable laws and ethical considerations. If no applicable laws are being broken, and we determine that modifying the video is not appropriate, we will not take further action.

We are committed to fair decision-making and will provide logical explanations for our choices.

8. Changes to Policy

We may update this Privacy Policy from time to time to reflect changes in our practices or for legal and regulatory reasons. The most current version will be posted on our website.
